# AURORA NOIR

Singer / Songwriter / Live Performer

---

Aurora Noir makes music for the hour between midnight and morning - alternative pop built on cinematic synths, live strings, and a distinctive vocal tone.

Since her debut EP in 2021, she has built a devoted audience across festivals, private events, and late-night listening rooms, known equally for the atmosphere of her studio releases and the intensity of her live shows.

Aurora Noir is represented for concerts, weddings, corporate events, festivals, clubs, colleges, private events, and brand activations worldwide.

## CAREER HIGHLIGHTS

- 2 studio albums, 1 EP, and 8 singles released independently
- 150+ live performances across 12 countries
- Featured performer at Neon Horizon Festival (2024, 2025)
- Music supervised for two independent feature films
